Jeffrey L. Davis, the Founder and Principal Designer of Chadsworth's 1.800.COLUMNS was a recent a guest on the popular television show, *For Your Home* hosted by Vicki Payne and Sloan Payne-Rutter.

For Your Home has been public televisions premiere home and garden series for over nine years. Vicki Payne and her daughter Sloan Payne-Rutter take the guesswork out of Do-It-Yourself projects for the home. They show viewers 'how to do it' with easy to understand, step-by-step instructions for projects that range from creating a playroom that doubles as a comfortable spot for overnight guests, to creating an outdoor Pergola.

Vicki talked with Jeff about Chadsworth's new *Classical Pergola Line*. They also discussed how you could add character to your home by using columns on the interior as well as the exterior. By adding a pergola, your yard will become another 'room', where you and your family will want to spend all your time during the summer and into the fall. Choose from a 2, 4, 6, or 8-column 'pergola kit' that you can buy and install yourself.

"For Your Home is a great place to launch our new line of our 'pergola kits', said Davis, viewers will actually see an 8 Column *custom pergola* being built on the show."

For Your Home inspires viewers to make improvements to their homes and gardens, under the able guidance of experts Vicki and Sloan. This dynamic mother and daughter duo are talented, interesting and fun to watch! For Your Home is seen on public television stations nationwide, as well as in Canada and Japan. FamilyNet and GoodLife cable networks also carry the show.
