Old House Interiors Magazine, which features period-inspired home design says this about Chadsworth's 1.800.COLUMNS Fluted Authentic Replication Columns:

"Base your classical interior on a firm foundation with these Tuscan fluted columns. They're available in both wood and PolyStone™ (a composite material). Prices for a typical column (8'high and 12" in diameter at base) begin at \$309. From Chadsworth's 1.800.COLUMNS, website: www.columns.com."

Now in its tenth year, *Old House Interiors* covers American period design from 1700 to 1940, with articles on restorations, interpretive use of period decorating, sensitive kitchens and baths, furnishings, color, textiles, and more. Coverage extends to architectural styles and gardens. It features advice and sources for renovating, decorating, and furnishing houses built before 1950.

Chadsworth's 1.800.COLUMNS was featured on the television show *This Old House*, as well as in *Old House Interiors Magazine*.
