CHADSWORTH'S 1.800.COLUMNNS® is pleased to offer its new PolyStone™ Premier Custom Collection. Chadsworth's PolyStone™ Columns are the most well known durable and impact resistant columns on the market today. And now Chadsworth has extended its PolyStone™ line with custom creations to offer you endless design possibilities.

The unique designs include: The Belley, The Knee Wall, the Round Non-Tapered Column, the Square Non-Tapered Pillar (plan or fluted), The Square Recessed Panel Pillar, and the Norfolk (square tapered pillar). The PolyStone™ Custom Collection Columns have sharp, crisp detail and are made to last a lifetime.

The PolyStone™ Belley Column

The Belley Column tapers from the top and from the bottom to a graceful bell curve in the middle. This unique column works well with Spanish style architecture whether used on the interior or exterior of the home.

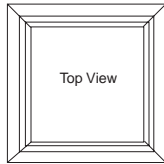

BELLEY • PRICE LIST		
Column Size	List Price	Load-bearing Capacity (lbs)
10" x 8" (12" middle)	\$ 320	10,000

The PolyStone™ Knee Wall Column

This load-bearing column is perfect for porches, or separating a room with flair. Remember, columns add weight without mass, so they can be used to divide areas in your home, without “walling off” the entire space. Unlike a wall, they let light into a room and give it a feeling of openness.
